**Leon County Civic Center
505 West Pensacola Street
Tallahassee, FL 32301**

Join Us in Tallahassee, F.L.!

Greetings!

Welcome to the Inaugural FATE Panhandle Regional Symposium. We recognize the importance of and the challenges in developing effective teachers who add value to their students' educational and personal growth. Toward this end, we have planned a full day of engaging conversations on the radical redesign of teacher education.

Your experience will include radical redesign conversations led by nationally recognized educators. Included in the interactive audience will be diverse educational stakeholders. These stakeholders will include university teacher educators, classroom teachers, school administrators, corporate and legislative partners, as well as retirees.

On behalf of the program committee, staff, and the many volunteers who have worked long hours to put together a rich and engaging full day of activities for you, we invite you to join us for a stimulating day of professional experiences in teacher education.

Thank you for joining us. Welcome to Tallahassee!
